

Visitor health and safety requirements

Unite
against
COVID-19

All visitors must provide:

- **Vaccination Certificate**

This will be scanned using the NZ Pass Verifier app at the point of entry (along with Photo ID if the individual is not known to a Star Insurance employee), or

- **Proof of a negative Covid 19 test within the preceding 72 hours to the time of entry into a Star Insurance office, or**

- **Pre-registration**

Visitors and contracting businesses to Star Insurance can pre-register their status and or lists of fully vaccinated staff with us.

Approved visitors will be name checked against this list at the time of visit.

All visitors must:

- **Scan our QR code via the COVID-19 Tracer app on entry**
- **Follow the appropriate health and safety protocols while at our offices.**
