

**07. The home of exceptional car insurance.**

**Exceptional vintage car insurance for history's custodians.**

If your car was manufactured between the years of 1919 and 1930 it qualifies for our vintage car insurance policy. Owning a vintage car is a rare pleasure.

We work closely with you to craft a policy that considers everything down to the last screw. We'll discuss your pride and joy's living arrangements, if it's a work in progress, being restored, or if and how it visits club rallies and events. We want to determine its true value and how you use it.

Some of the vintage vehicles we currently protect include Model A Fords, Model T Fords, Rolls-Royce 40/50 Silver Ghost, Bugatti Type 36, Alfa 6C 1750, Austin 7, Bentley Speed Six, and more.

**08. The home of exceptional car insurance.**

**Motorsport insurance for enthusiasts and professionals.**

Star Enthusiast Motorsport is comprehensive, customisable off track insurance for motorsport individuals and teams. Whilst we don't insure race cars on track during competition events, we can provide some of the best off-track insurance so you can concentrate on winning without the added fear of gear loss.

Our motorsport insurance covers loss and damage of competition vehicles and property including vehicle parts and accessories; tools and trailers whilst at their storage facilities and at home; when being transported to and from a race meeting in New Zealand or worldwide; in storage at an event; and when outside your accommodation at track events. You're even covered while your vehicle is being built, repaired or prepared for race day at a workshop, and you're protected against theft and fire.

**01. The home of exceptional niche vehicle insurance.**

## Smart Kiwis choose the Star treatment.

We are experts at creating and managing extraordinary niche vehicle insurance policies for owners of RVs, Motorcycles, Prestige, Vintage, Classic, Project & Performance, Motorsport and European cars. As the industry's star niche vehicle insurance specialists, we deliver better customer experiences.

We've set the industry benchmark for 360-degree policy support because everything we do happens in-house. Our full-service model ensures nothing is outsourced which means our incredible wealth of knowledge and expertise drives customer happiness.

We offer online quotes and an insurance ecosystem that ensures we personally evaluate every policy application to serve your best interests. We make precise policy tweaks to ensure everything is tailored to your individual needs. Our policies are financially secured and guaranteed by Vero Insurance New Zealand Limited, which has been given an A+ insurer financial strength rating by Standard & Poor's.

You can spread out your insurance costs with monthly policies, choose from a range of flexible pricing options and on some policies enjoy a 24/7 Journey On Roadside membership with upgrade options available.

## Five star niche insurances.

**The home of exceptional niche vehicle insurance.**

**02. The home of exceptional RV insurance.**

## Made to order RV insurance.

Star CamperCare is NZ's leading, benchmark insurance policy for motorhomes, caravans, 5th wheelers, converted buses, campervans and pop-tops.

Buying and maintaining an RV is a big investment. Owners need to look beyond what sounds good or looks good on paper. Dig deeper and you'll see what you're really covered for, and realise that most insurers only insure the cab and chassis, and have to refer to a third party (especially for claims). We handle everything in-house and insure anything that you'd typically sell with your RV, including the fridge, stove and anything that's a permanent fixture inside and out, including awnings. Also included is \$3,000 loose contents cover as standard, which can be upgraded.

Journeys aren't risk-free, but your insurance should be.

**03. Unparalleled motor vehicle insurance.**

## Star Prestige is for vehicles of distinction.

Star Prestige is our elite vehicle insurance for high-end luxury and prestige marques.

Discerning drivers choose Star Prestige because it's New Zealand's most unparalleled class of motor vehicle insurance that's tailored to each owner's specific needs to provide the best, most comprehensive coverage possible. Our incredible attention to detail to protect your prized possession is really compelling too.

In the event of a claim, you will never be forced into accepting aftermarket parts. All our approved repairers use manufacturer parts and approved systems and processes to bring your vehicle back to its original condition without compromising your manufacturer's warranty. You can even choose your own repairer.

We're NZ's leading niche insurance specialists because we treat customers like family, not spreadsheet entries or statistics. Looking after the family is what Kiwis do, and we're 100% NZ-owned and operated.

**04. Revolutionary motorcycle insurance.**

## NZ's original motorcycle insurance.

Star Motorcycle has been highly tuning custom insurance policies for bike owners since 1989. Back then, nothing like this existed, until our founder and early pioneer of personal Insurance, John Baker, was asked why it was so hard to get motorcycle insurance. With an entrepreneurial spirit (which is alive and well today) John created Star Motorcycle. We were soon insuring all the motorcycle clubs and we took off from there.

### Ultimate wheel to wheel, helmet to boots protection.

We create premium motorcycle policies that include the best care and protection for bikes and gear without excessive premiums. Every policy we produce is customised to the rider. Not all bikes are created equal, but we insure them all, including: trikes, quads, scooters, classic, show, collectable, off-road racers, restorers, cruisers, sports, customs, touring, heavily modified bikes and more. Ride with the people who revolutionised motorcycle insurance and continue to set the pace today.

**05. The home of exceptional car insurance.**

## Star Enthusiast for cars in a class of their own.

Star Enthusiast is for drivers who have special vehicle interests, and whose needs don't fit neatly into a box. We offer four specific but highly customisable Star Enthusiast insurance packages: Vintage, Classic, Project & Performance and Motorsport.

### Classic cars, the epitome of style and elegance.

Star Enthusiast's Classic Car Insurance protects classic cars and passion projects. They're vehicles that go way beyond simple transportation and often become a labour of love. It's a rare vehicle category that requires specialist insurance from a company that understands classic car ownership. Some of the classic cars presently in our portfolio include the 1965 Bel Air, Porsche 356, Chevy Yank tanks, and muscle classics including Mustang, Camaro, Charger, Corvette, and Thunderbird.

**06. The home of exceptional car insurance.**

### Custom insurance for your artistic expression.

Star Enthusiast Project & Performance is your tailored, competitive insurance for high performance, modified and project cars. Your high performer needs high-performance insurance.

Our Performance Car Insurance usually covers vehicles like Nissan GTR, high-end Subaru Impreza, Toyota Supra, Mitsubishi Evolution and more. Our Modified Car insurance policies often cover cars like RX7, Nissan Skyline R32, R33, R34. And our Project Car Insurance is perfect when building project cars starting with a Mazda Familia, Nissan Laurel and many kinds of iconic late 90s to early 2000s Japanese cars, to end up with something truly unique. It's time to match your ride with high-performance vehicle insurance.

Note: If you're under 25 you'll have more hoops to jump through with us, but we're keen to chat and see if we can embrace you and your passion ride.
