## Ultimate insurance for luxury and prestige vehicles

Star Prestige is insurance for owners of high-end, prestige and luxury cars. Designed for vehicles of distinction, our insurance recognises that your vehicle is not just any run of the mill car. Our incredible attention to detail to protect your prized possession is just one reason why more prestige car owners choose us over others.

Before creating this elite insurance package, we spoke to luxury and prestige car owners to understand exactly what they wanted to see in a policy like this. We started with a blank sheet of paper that soon filled and became the industry benchmark for luxury and prestige car insurance.

## Insurance designed for the real world

Sometimes getting insurance isn't a straightforward process. If you were judged on a points system, things like your age, driving history, your occupation and how you use your car, speeding tickets and convictions, the type of car you drive and your kind of license, can all count for or against you.

We believe that your age and driving history shouldn't necessarily exclude you from getting quality insurance at real-world prices. That's why we created StarPlus. We make it our business to understand your unique circumstances and ask plenty of questions to ensure we provide the best and most relevant insurance policy for you, at the best price.

## Motorcycle insurance that leads the pack

Since 1989 the team at Star Insure has designed extraordinary, custom policies for New Zealand motorcycle riders. Our founder, John Baker, revolutionised motorcycle insurance when nobody else was paying attention to two and three-wheel riders. Today, we continue to lead the pack because we innovate and engage in deeper levels of insurance analysis to craft custom insurance policies that protect riders in the real world.

Some insurance companies will tell you they know motorcycles but then refer to a third party at crunch time. We're there, where the rubber meets the road, with the most highly tuned, specialised motorcycle insurance available.

Star Motorcycle insurance policies provide the best care and protection for bikes and gear at the best price. We insure everything from quads to classic, show, collectables, off-road, racers, cruisers, sports, custom, restorers, scooters, touring, heavily modified and more. We tailor every policy so that it's customised to the rider.
