→ **Star Enthusiast Classic**

Classic cars, a unique slice of history

Star Enthusiast Classic Car Insurance protects classic cars and passion projects. This category is designed for cars that are out of the ordinary; cars that cruise down memory lane and represent a slice of history.

These vehicles are often a labour of love and it makes sense to get special insurance from a company that understands classic car ownership. Talk to us about tailoring a classic car insurance policy that is as unique as your vehicle.

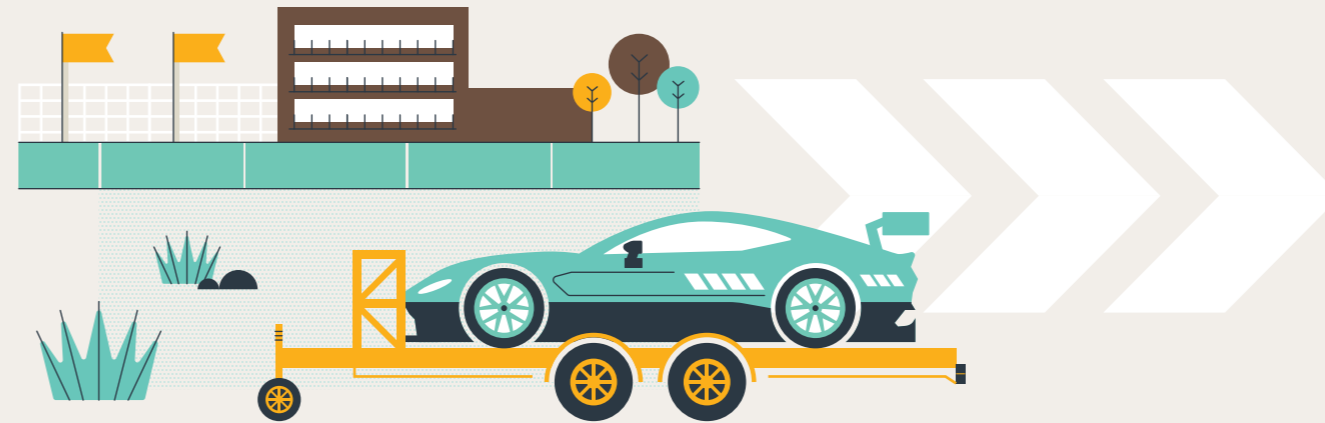

→ **Star Enthusiast Vintage**

Exceptional vintage car insurance for history's custodians

Star Enthusiast Vintage Car Insurance protects vintage cars and restoration projects. Our policy was designed for cars manufactured between the years of 1919 and 1930. Owning a vintage car is a rare pleasure and we're committed to helping you preserve your unique piece of history.

Working with you, we determine the value of your vintage vehicle, its living arrangements, if it's a work in progress, being restored, or if and how it visits club rallies and events. From there, we craft a tailored policy that fully protects your very special investment.

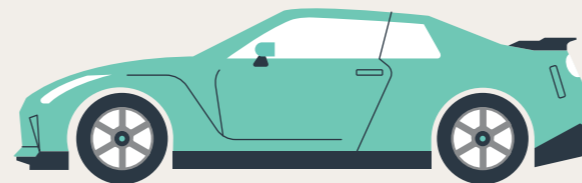

→ **Enthusiast Project & Performance**

Custom insurance for your artistic expression

Star Enthusiast Project & Performance is your tailored insurance for high performance, modified and project cars, and many kinds of iconic late 90s to early 2000s Japanese cars. These are truly unique vehicles.

We understand that types of cars and their uses aren't always considered equally by other insurance providers, which is why we created this truly unique policy.

→ **Star Enthusiast Motorsport**

Motorsport insurance for enthusiasts and professionals

Star Enthusiast Motorsport is comprehensive, customisable off-track insurance for motorsport individuals and teams. While we don't insure race cars on track during competition events, we can provide some of the best off-track insurance so you can concentrate on winning without the added fear of gear loss.

Our motorsport insurance covers loss and damage of competition vehicles and property including vehicle parts and accessories; tools and trailers while at their storage facilities and at home; when being transported to and from a race meeting in New Zealand or worldwide; in storage at an event; and when outside your accommodation at track events. You're even covered while your vehicle is being built, repaired or prepared for race day at a workshop, and you're protected against theft and fire.

→ **Star Enthusiast Modern Hobby**

Modern Hobby insurance for special cars, rarely driven

Star Enthusiast Modern Hobby was designed for discerning vehicle owners with a car they play with on weekends or that goes out on special occasions. This type of car would normally sit under our Star Prestige policy but because you don't drive it often, Star Modern Hobby is right for you. This policy is prestigious, unparalleled and customisable with all the same benefits of Star Prestige; but with a premium calculated reflecting this car is not your 'daily driver'.

To qualify for this policy, let us know which car is your daily driver (it doesn't have to be insured with us), as well as your nominated Modern Hobby vehicle (the one that leaves the garage rarely).
