### Looking after your RV, inside and out

Star CamperCare protects your RV's Shell, Chassis, Fittings, Fixtures and Contents. Some insurers only insure the cab and chassis, which just doesn't cut it. Windscreen and glass are automatically included with us and loose personal contents such as your laptop or phone are included free, as standard. No other insurer provides this kind of cover without extra charges.

### Outstanding roadside assistance

All Star Insurance CamperCare policies include an exclusive Roadside Assistance membership supplied by New Zealand Roadside Assistance, which gives you nationwide, 24/7 breakdown assistance and support. We're proud to have a market-leading annual limit for roadside and tow. Our exclusive membership applies to the vehicle (not the driver) and gives you or anyone driving your RV extra peace of mind and assistance in the event of a breakdown.

## Is your policy coming up for renewal?

**Ask yourself the following questions to ensure you have the best insurance options for your RV.**

- Has my RV's value decreased?
- Have I modified my RV or removed any modifications?
- Is my RV now more than just a weekend adventurer?
- Am I now living in my RV, when previously I wasn't, or the other way around?
- Have my speeding demerit points been removed?
- Would I rather have a higher excess in exchange for a lower premium?
- Have I had any other significant changes in the past 12-months?
- Am I with the right insurance provider?
